Amendments to the Specification

1. Please change the title to:

GRAVESITE MEMORIAL DISPLAY WITH FLOWER HOLDER FEATURE

2. Please replace paragraph [0001] with the updated version provided below:

[0001] The present invention relates most generally to <u>static</u> display and presentation devices. More particularly, the invention relates to an anchorable gravesite memorial display, <u>configurable with one or more flower holders</u>, for use in displaying personal items such as photos, cards, and a variety of other possible items, including flowers.
